The Northshore Humane Society is Louisiana's largest non-profit, no-kill animal rescue and veterinary clinic. Since 1953, the Northshore Humane Society (formerly St. Tammany Humane Society) has been serving the unwanted, neglected, abandoned, and abused animals of the gulf coast region. NHS is an independent, non-governmental rescue that offers veterinary care, fostering, and adoption services. We rely solely on the support of caring people like you to fund programs and services that profoundly benefit the animals of our community.

This year's event combines food, music and beer. The Beer Garden will feature tastings of beers from across Louisiana and the surrounding areas. Tickets for the event can be bought in advance at sthumane.org. Area merchants are encouraged to help by becoming event sponsors and bringing awareness to the event.
